

CKG Quality Childcare

Childcare as it should be!

Summer 2013

Dear Parent / Guardian,

CKG Quality Childcare is a team of parents and childcare professionals, providing assistance to busy families looking for quality service provisions. Every day, we help families by safely transporting children to and from school.

We currently transport children along routes in Luton, St Albans and Watford, including a number to and from the Stanborough schools. Our drivers are over 25 years old with full UK licences and CRB / DBS clearance.

We are particularly happy to offer this facility to the Stanborough schools community.

If you think that you might like to use our school-run transportation service, please contact us to discuss prices and register your interest, using the details below. If there is sufficient demand, we would be happy to expand our capacity and our route coverage to accommodate your requirements.

Please contact us today to see if we can help you:

EMAIL info@ckgltd.co.uk or TEXT 07956-502465.

Best regards,

The team at CKG.
