DVD movie	Candle in the Dark: the Story of William Carey	<p>He sailed to India in 1793 with a reluctant wife and four children to bring the message of Jesus. There he encountered so much hardship it is amazing he didn't abandon his mission and go home. But he stayed for over 40 years.</p> <p>One issue that tormented him was sati—the burning alive of widows when their husbands died. He would not rest until this practice was stopped. Facing insurmountable odds, he “plodded” on to influence the abolition of sati and to become the revered “Friend of India” and “Father of Modern Missions.”</p> <p>He oversaw more translations of the Bible than had been done in all previous Christian history combined. Life was never easy for Carey. But he simply refused to quit, even when a devastating fire destroyed years of his literary work. His legacy has inspired countless others from his own day to the present. William Carey shows dramatically how a life dedicated to God and obedient to His calling can make a profound difference in the world.</p> <p style="text-align: center;">Starring Richard Attlee, Lynette Edwards and Julie-Kate Olivier.</p>	yes

DVD movie	The Ultimate Life -a sequel to <i>The Ultimate Gift</i>	Jason Stevens' plate is more than full. In fact, he has plenty of everything except time. Having survived the journey his grandfather, Red Stevens, sent him on through his last will and testament, Jason earned "The Ultimate Gift." He is now in the thick of managing the two billion dollar Red Stevens Foundation, disbursing funds to Red's charities as well as a personal project called Emily's Home. Life has become a juggling act, and Jason's most important relationship, with Emily's mother, Alexia, has begun to suffer...more than he knows, especially once a man from Alexia's past returns to her life: Tyler, the man who fathered Emily. Tyler has a strong desire to win back Alexia's heart, and he seems to have all the time in the world to try, even more so when Jason's family drags him into court to contest the will, jeopardising Jason's claim to Red's trust and the charities it supports.	no
