Dear Parents of Year 9 Students,

RE: Year 9 GCSE Options

Thank you to all of the parents who attended the Year 9 GCSE options evening on Tuesday, the 8th of February. This is a gentle reminder that parents should spend some time discussing the options with their children, as we know that this is a very important time of the year. These choices will have a significant impact on your child's further education and possible career pathway. As mentioned in the presentation on Tuesday last week, students have three choices and further details can be found on our website here:

<https://www.spsch.org/about/curriculum/year-9-gcse-options/>

On this webpage, you will also find all of the presentations presented during the evening and the parents handbook detailing all of the GCSEs that we currently deliver. Please can I ask that parents and students choose their three choices, using the form online, no later than **Tuesday, 22 February 2022**. We will then get back to you detailing the next steps.

In the meantime, if you have any questions or queries relating to GCSEs, please do not hesitate to contact me and I would be more than happy to answer any questions you have.

Yours Sincerely,

Mr K. James
