Increase in School Fees

Dear Parents,

The school board met this past Tuesday and one of the discussions was school fees for the 2024/ 2025 academic year.

It was agreed to increase the school fees by 6% in September 2024.

Please find below a table which breaks down the current fees compared to the new fees:

Key Stage	Current Termly fees	Current Annual Fees	Current Monthly Fees	New Termly Fees	New Annual Fees	New Monthly Fees	Monthly increase
3	£3,612	£10,836	£903	£3,829	£11,487	£957	£54
4	£3,871	£11,613	£968	£4,103	£12,309	£1,026	£58

Note:

We will continue to provide 10% sibling discount to siblings attending Stanborough School and 5% Early Payment Discount (EPD) for those who pay the full terms fees before the start of the academic term.
